OBJECTION TO NOTICE OF SALE TO SELL SUBSTANTIALLY ALL  
OF DEBTORS' ASSETS PURSUANT TO MASTER SALE AND PURCHASE  
AGREEMENT WITH VEHICLE ACQUISITION HOLDINGS LLC,  
A U.S. TREASURY-SPONSORED PURCHASER

NOW COMES, Michele Bauer("Creditor"), by and through John G. Cronin, her Attorney-In-Fact, and join in the objections of other creditors that are victims suffering from personal injuries as a result of defective and unreasonably dangerous products placed in the stream of commerce by General Motors Corporation. This case has ignored the priorities of the bankruptcy system and special protection should be considered for personal injury victims prior to the appeal of the sale of the valuable assets of the Debtor.

The Creditor has suffered permanent injuries including facial disfigurement, broken bones, cuts, bruises, permanent impairment requiring numerous surgical procedures, long term hospital and nursing care, physical therapy, rehabilitation and has substantial medical and other expenses in excess of \$200,000 as a result of the failure of the passenger safety system in her GM automobile. In addition the Creditor was unable to work for an extended period of time, resulting in lost income and lost earning capacity.

If the sale is approved, an adequate pool of funds should be set aside to indemnify personal injury claimants.

Respectfully submitted,

MICHELE BAUER
